UNDERISNK ENERGY WATER FILTRATION SYSTEM

INSTANT DRINKABLE WATER
Instant drinkable water enriched with natural alkaline minerals, helping neutralize acidic waste and support a healthy pH balance.

REMOVES 99.9% GEMS
Our 4-Stage Alkaline Filtration System effectively eliminates 99.9% of dirt, rust, and chlorine while neutralizing odors, ensuring fresh, clean, and healthy water every time.

SAFE FOR SKIN
Not only it is suitable for drinking, it is safe for sensitive skin and even eczema friendly.

NO ELECTRICITY NEEDED
It is a plug-free solution to clean water. Enjoy clean water without worrying about an inflated utility bill.

DIMENSION:
W 30cm x D 10cm x H 20cm

STEALTH ELECTROLYSIS TECHNOLOGY
Water channels as well as filters are washed and sterilised closely with electrolysis sterilising water.

FILTER STERILISATION

Sterilises the insides of the filter and removes bacteria, chlorine, matters, metal, micro-organisms, trihalomethane, rust and viruses.

The STEALTH Electrolysis Technology increases the lifespan of the filters, ensuring clean and fast water flow.
